# Spring Edition

# Teacher Notes:

Creative Thinking is fostered through these **Finish the Pictures** SPRING EDITION drawing tasks. Students will be given a template, with the task of incorporating the image into a larger scene or picture. The original image must be **PART** of a new creation. Afterwards, students can use the template at the end of the set to write about how they merged the image into a new scene.

These activities can be used as part of:
- Spring Bulletin Board Display
- Gifted/Student Portfolio
- Hidden Picture Challenge

Have fun using your creative thinking caps!
