

LOGIC PUZZLES

With Snap Cubes

**DIGITAL
TASK
CARDS!**

Cube Puzzler!

You Need: 1 Yellow 1 Green 2 Black 1 Red 2 Orange

The Clues:

1. No cube touches one of the same color.
2. There are two cubes between the oranges.
3. One of the oranges touches both black cubes.
4. Nothing is to the left of yellow.
5. Green is to the left of a black.
6. Red only touches one cube.
7. The idle color touches orange.

TpT

I am thankful you chose to purchase a Spivey Sparks resource! I hope it serves your students well. I would love to hear how you use these activities in your classroom. **Did you know you earn TpT credits for feedback left on paid products? Go to your purchase tab to see purchases you have not yet left feedback.** You earn TpT credits towards future purchases while teacher-authors learn from you! Would you like to be notified when my new products are available? Use the links to the left to follow me on TpT and social media. Each time a new resource is released, I offer 50% discount the first 48 hours. ~Stephanie Spivey~

You May

- Use this digital download for personal or student use within your classroom.
- Receive updates to this resource through your purchase page on TpT, at no additional cost.
- Send a link to this resource in my TpT store to colleagues for them to download, too!
- Provide feedback on the resource! I love hearing your experience and suggestions.

You May Not

- Send or copy any part of this resource to be used by colleagues or friends.
- Upload this resource to any internet site or website for available for download. This is a violation of the Digital Millennium Copyright Act (DMCA). These posts can be pickled up in an internet search, then shared freely.
- Upload this product or use it for inspiration to create a like-copy for sale or free.

Thank You to These FONT and CLIP ARTISTS!
