

Slime #2

Materials needed: $\frac{1}{4}$ cup Glue, 1 cup of water, $\frac{1}{2}$ cup baking soda, 1 drop of food coloring

1. Pour the glue into the bowl. Add 1 cup of water and mix.
2. Add 1 drop of food coloring. Then mix.
3. Slowly add the baking soda as you mix the solution. Watch the clock and mix for 2 minutes.

Slime #2

Materials needed: 2 tablespoons of Glue, 1 cup of water, 1 drop of food coloring, 1 tablespoon of baking soda, 1 tablespoon of contact solution

1. Pour the glue and water into the bowl. Do not mix. Let the solution sit for 2 minutes.
2. Add 1 drop of food coloring.
3. Add the baking soda and mix.
4. Add the contact solution slowly as you mix the solution. Mix for 1 minute.

Slime #2
