

ALPHA Field Trip

March 28, 2019

Witte Museum: Planet Pioneers

Dear ALPHA Family,

Do you have what it takes to survive on another world?

Leave Earth behind and travel into the unknown for an extraordinary, extraterrestrial experience. Strap on your space boots for *Planet Pioneers*! Travel to another world where you will **explore**, **adapt** and **survive** on a brand-new planet. *Planet Pioneers* puts budding astronauts and space explorers to the test as they attempt to source their own food, air and shelter while solving problems in an unknown world. Drive a 4-D Surface Exploration Vehicle, land a rocket, experience G-Forces in a spinning capsule and master 14 other interactive activities designed to test your skills.

Please sign and return the permission slip below by March 22nd. Students who do not return their permission slip will not be able to attend the field trip. Per district policy, we must have a written permission slip on file in order for your child to participate.

- Please have your child wear a spirit shirt, if possible. We will be outdoors for the part of the time, so have them dress appropriately for the weather and wear comfortable shoes, as we shall be doing a fair amount of walking.
- Please send your child with a lunch and a drink. Please see that they have a good breakfast before coming to school as we will not be eating until lunch time, which may be later than younger children are accustomed to. We will eat lunch at the Witte Museum.
- Chaperones, please gather at around 8:30 am in the ALPHA room (D206) to coordinate.

If you have any questions, please email me at nicolas.smith@nisd.net.

Sincerely,

Nicolas Smith
