

GT SUMMER CAMP: GEOLOGY ROCKS - SUMMER 2024

It is time once again for GT Summer Camp. Woo Hoo. This year's theme is Geology. Students will be provided breakfast and lunch at camp. There is no cost to attend this camp. GT Students currently in Grades 2, 3, and 4 are eligible. **The camp will be held at McDermott Elementary from June 10 - June 13, 2024.**

If you are interested, you must complete the application form from the link that was emailed to your student. You will not be able to complete the form from your personal email address. Have your student login to their NISD portal and then go to Gmail.

Parents must complete the form that was emailed to your student from their NISD Gmail account using the student's NISD email. This process is to ensure both safety and accuracy with the registration process.

NISD employees, please complete the form from your student's NISD Gmail account.

The deadline to apply is **Friday, April 12, 2024 or when all 45 spots are filled (whichever comes first)** . Students who are selected will be notified the week of April 15, 2024. The application should answer any question you may have about GT Summer Camp.
