

Survivor GT Field Trip

GT students in grades 3-5

March 20, 2024

The Northside ISD Gifted and Talented students in grades 3-5 will be going on a field trip on **Wednesday, March 20, 2024**. We will be working in teams to put our knowledge of systems into action as we solve challenges at Eisenhower Park, as an extension to our unit on systems. As student groups rotate through stations, they will earn materials to use for a final culminating challenge. We will be leaving school at 9:00 am and arriving back at school around 2:00 pm. All students who attend this field trip must ride the bus to and from **Rhodes** Elementary. Parents, please fill out the information below to give permission for your child to attend this field trip. Students are encouraged to wear their Survivor GT shirts on this field trip.
